Dear |

1. Confirming our phone conversation of 13 April 1959, request you remove two (2) frequency counters and allied equipment from airplane 7047 and ship them to in Washington.

2. Confirming our phone conversation of 13 April 1959, request you ship the Ampex 807 recorder and allied equipment, that are being generated as surplus as a result of the Phase VI modifications, to the following address:

Naval Supply Center Oakland, California

for further shipment as I requested to you.

Yours very truly,

25X1A
